

## Overview

A brand new collection of Godzilla NFTs that celebrate the iconic monsters of the Godzilla universe on [ToppsNFTs.com](https://toppsnfts.com)

*Based on the Godzilla Rage Across Time comics, a mini-series of five total comic books that recount epic encounters between the monsters of the Godzilla Universe across time, this new NFT collection focuses on the fifth comic book, where archaeologists discover unidentified bones and imagine how they came to be through epic ancient battles.*

**Total unique NFT collectibles: 186**

*Includes 12 event exclusive NFTs*

In addition to the animated comic NFTs, the collection features unique premium content including stunning traditional and original art, collages, Rookie Cards, and 3D Toppsicles.
